ATTENTION ALL OPERATORS DRIVER'S LOG BOOKS

Please continue to fill out overtime cards on a daily basis whenever you complete your Driver's Logs. The nature of the Log Books require completion and calculation activity after an Operator is off duty, usually on a non-paid status. If you are completing your Driver's Log while on a non-paid status, please indicate how long it took you to complete the Log Book on the overtime card.

We understand that VTA is discouraging Operators from filling out overtime cards, as well as directing Operators to not fill out overtime cards for Driver's Log purposes. If anyone has discouraged or instructed you to not fill out an overtime card, please contact the union immediately. We need your written statements and possible testimony for potential grievance and arbitration activity.

Fraternally,

LORETTA A. SPRINGER
President and Business Agent
